

Notice of Public Rules Workshops: Nursing Assistants

The Nursing Care Quality Assurance Commission (commission) filed a CR-101 on February 8, 2021, under [WSR: 21-05-021](#) for Chapter 246-841 and Chapter 246-842, Nursing Assistants. The commission is amending nursing assistant standards to eliminate duplication, update competencies, and revise program requirements. Chapter 246-842 is proposed for repeal because it duplicates rules and will not be covered during the workshops.

A draft of Chapter 246-841 is attached for your review and a summary from the October 18, 2022, workshop.

Six more public rules workshops will be held to cover specific Washington Administrative Code (WAC) sections at each meeting.
