

NA-C & LPN Continuing Work

To create a highly skilled, CNA workforce through common curriculum, and provide compassionate nursing care to Washington's patients

Bill Implementation

Improve public safety, advance professional regulation, and enhance the nursing workforce through policy

Diversity, Equity, Inclusion & Belonging/Anti-Racism

Foster a culture that values diverse identities, perspectives, and experiences to reduce health inequities and structural barriers in nursing

Data-Driven Practice

Proactive education to support nurses based on practice error data
